SLED INVESTIGATING OFFICER INVOLVED **SHOOTING IN AIKEN COUNTY**

Agents from the South Carolina Law Enforcement Division are investigating an incident from Thursday night where an armed man was shot during an encounter with deputies from the Aiken County Sheriff's Office. The subject, Cameron Duncan, 24, was transported to the hospital where he received treatment for his injuries. Duncan was released from the hospital and is currently detained at the Charles B. Webster Detention Facility in Augusta, Georgia.

SLED conducts law enforcement officer involved shooting (OIS) investigations at the request of the agency involved in the incident. When requested to investigate an OIS, SLED's goal is to conduct a thorough, independent criminal investigation as timely as is possible under the circumstances. SLED agents will conduct interviews with all potential witnesses in this matter. Further, SLED will collect all relevant evidence and will forensically test such evidence as needed.

Information gathered in the SLED investigation of the incident will be summarized in a case file report to be submitted to prosecutors. This is an ongoing investigation. As such, no other information about the case will be disclosed by SLED at this time. SLED will defer to the Aiken County Sheriff's Office for any additional initial information.

The incident in Aiken County was the 4th officer involved shooting in South Carolina in 2022. In 2021, there were 40 officer involved shootings in South Carolina; 2 involved the Aiken County Sheriff's Office.
